

How to create and submit a Plan

To create a Plan you need to log in or [sign up](#) for a YourSAy account. If you click on the following link [sign up](#) the registration window will be displayed.

The screenshot shows the 'Sign up for a YourSAy account' page. The page has a light grey background with a white form area on the left and a circular collage of diverse people on the right. The form fields include: 'First name (required)', 'Last name (required)', 'What gender do you identify as? (required)' with radio buttons for Male, Female, and Trans, 'How old are you? (required)' with a dropdown menu, 'Email (required)', and 'What is your postcode/ZIP? (required)'. On the right side, there is a section titled '44,840 members and counting' with a sub-heading 'You're about to join a community of 44,840 people who are actively creating positive change in South Australia through direct communication with State Government departments.' Below this is a section titled 'Why do we collect the information we do?' with a paragraph explaining that the information is used to understand what matters to South Australians and that registering an email address allows for further updates on consultations.

Complete the information on this window to get your YourSAy account. When you have completed the registration process log on to the YourSAy website at

<http://yoursay.sa.gov.au>

After you log on to the Your Say web site the home screen will be displayed. Click **Scroll Down**.

On the **Decisions awaiting your influence** screen click on **Fund My Community**

Decisions awaiting your influence

Adelaide to Zero Carbon Challenge
Entries are open to South Australia's Low Carbon Entrepreneur Prize. The global search for ideas has begun!

Review of the Residential Parks Act 2007
Do you think legislation needs to change for residential parks and its residents?

Fund My Community

Amenities and storage shed

Replace old substandard sheds with new shed

How will the funding be spent?

The funds will be used to construct a new shed with a concrete slab floor that includes a new disability unisex toilet, hygienic BBQ servery area, Workshop and safe tractor storage space. The project will require the relocation of the main electrical switch board and the demolition of old sheds that are in poor condition and are unsuitable and unsafe for their purpose.

How will the project be delivered?

The club will engage a professional builder to demolish the existing structures, install the
